## #1 Highlights

- **A panoramic Halo Roof to enjoy the view.**  
With its panoramic sunroof, the bright and airy smart #1 ensures you always feel like you're part of the action.
- **Space to bring whoever and whatever.**  
The smart #1's slidable rear bench moves and folds in a 60/40 split while the back rest angle can be adjusted.
- **Stay in control with a 12.8" display.**  
A 12.8" central display provides all the info and tools you need to stay up-to-date en route and elevate your driving experience.
- **Enjoy a ride that's chic and sleek.**  
Frameless doors with electric door handles ensure better aerodynamics and give the smart #1 a premium look.
- **Beats® sound system**  
Enjoy a 13-speaker Beats® audio system and fill your smart #1 with crystal clear renditions of your favourite tunes..

## Superior interior

Make your space your own. Set the slidable rear bench how you want it, play with the subtle accents from the ambient lighting, put your fav immersive sounds through the crystal-clear 13-speaker Beats® sound system. All crowned off by the panoramic Halo roof. Once you're in, you won't want to get out.
